Note of the Utilisation of certain old buildings of Arrit Mahal Department at Munsur.

There are certain old buildings belonging to Arrit Mahal Department in Munsur. A part of this building has been in use for various purposes so far. It had been proposed that this building might be completely repaired and used for locating certain Educational institutions, a Rest House and a Public Hotel and quarters for Officials. The Revenue Sub Division Officer in continuation with the Public Works Department and the Municipal Councillors of Munsur proposed the utilisation of all these buildings for all the above purposes, as well as for locating women's Hospital newly sanctioned and the Lady Doctors Quarters, the total cost of all being estimated at ₹ 35,000/- nearly. The Dewan observed that the buildings were in great disrepair and would even after the repairs proposed, not be sound and that it was far better to pull down the existing buildings entirely and use the place and the materials available for putting up new buildings. The buildings that will have to be put up are the following:-

1.	Quarters for officials.			
	First Class	1		5,000/-
	Second Class	7	3000 x 7	21,000/-
2.	Kannada Primary School.			8,000/-
	Assistant Inspector's Office			2,000/-
	Assistant Inspector's Quarters			5,000/-
3.	Women's Hospital			16,000/-
	Lady Doctor's Quarters			5,000/-

The approximate cost of each item in the above list is also noted. The total cost is expected to come to ₹ 60,000/-. The money required under the first head will have to be provided for from the Public Works Department Budget and should be taken up immediately. The quarters will fetch rent. The buildings under the second head are for the Educational Department Funds therefor will have to be found from Education Budget. The funds under the third head are for the Medical Department The cost thereof will have to be met by the Government, the District Board and the Municipality in equal proportions.
